Standard Gift Box Sizes November 2018

PLEASE NOTE: These are our standard sizes, but are **not in stock** - they still have to be made for you. HOWEVER for these sizes you may order a minimum of 30 boxes per size and colour in the standard range. Normal manufacturing time for these boxes can take up to 15 working days, but some sizes and colours are readily available in stock, please check with your sales person. Manufacturing time is subject to availability of raw materials. These Standard Sizes list is only applicable to UNBRANDED boxes made up in our standard colour paper lists. Packaging eco friendly (can give food gifts in it, but not oil and stain resistant, product will not tolerate excessive heat or humidity (don't store in fridge or freezer). Indicated sizes is a guide only and is not guaranteed to conform to any standardized published sizes anywhere else. **Please measure your own items.**

Prices indicated on this price list is calculated per unit with a minimum order of 30 units up to 200 units, standard lid lip, and white lined inside.
